

9TH STAKEHOLDER PLENARY MEETING

20-21 NOVEMBER 2019 | THE INTERNATIONAL AUDITORIUM

AGENDA

Day 1 - 20 NOVEMBER 2019

09.30 - 10.30	Registration & Coffee	
10.30 - 10.40	Welcome	Patrik Klintbom , Chair SC ETIP Bioenergy
10.40 - 11.00	EU Research & Innovation Policy on renewable fuels and bioenergy	Maria Georgiadou , EC, DG RTD
11.00 - 12.30	What's new in technology?	Moderation: Patrik Klintbom
	Biofuels – Future Opportunities for Refiners	Olov Öhrman , Preem
	Rolling out of the pyrolysis technology through Europe	Gerhard Muggen , BTG Bioliquids BV
	Delivering advanced biofuels and circular chemicals to market: An industrial case study for Enerkem	Robert Vierhout , Enerkem
	Bringing cellulosic ethanol to the market: the sunliquid story	Paolo Corvo , Clariant
12.30 - 13.30	Lunch and networking	
13.30 - 15.30	Broadening the biomass feedstock base in Europe – Opportunities and challenges	Moderation: Calliope Panoutsou , Imperial College London
	Biomass supply and cost supply assessments	Andrea Camia , EC, JRC
	Lignocellulosic biomass and food crops: sustainable intensification of agriculture in the framework of the BECOOL project.	Andrea Parenti , University of Bologna
	Biofuels from marginal land	Berien Elbersen & Anouk Cormont , Wageningen University & Research
	Challenges for RED II Sustainability Certification from a Certification Scheme's Point of View	Peter Hawighorst , Meo Carbon Solutions GmbH
15.30 - 16.00	Coffee break	
16.00 - 17.30	Getting involved – ETIP Bioenergy, a platform for its stakeholders <i>Interactive breakout sessions on biomass availability, conversion technologies, markets and end use, and policy and sustainability</i>	
	Working Group 1 – Biomass Feedstocks: - Opportunities and challenges for broadening biomass feedstock in Europe - Recommendations for R&I actions - Biomass supply and cost supply assessment	Calliope Panoutsou , Imperial College London
	Working Group 2 – Conversion - News and developments on priority value chain projects - Examine the changes regarding the ETIP Bioenergy value chains and their background - Development pathways and innovative technologies	Lars Waldheim , Waldheim Consulting & Francisco Gírio , National Laboratory of Energy and Geology, Portugal

	<p>Working Group 3 – End use</p> <ul style="list-style-type: none"> - Competition of renewable fuels with non ICE-based transport alternatives - Competition for renewable fuels between road, air and maritime transport - What can R&I do to bring solutions to the market? 	<p>Philippe Marchand, Biofuels expert & ETIP Bioenergy Steering Committee Member & Dorothee Lahaussais, Toyota Motor Europe</p>
	<p>Working Group 4 – Policy and Sustainability</p> <ul style="list-style-type: none"> - Is the REDII sufficient to achieve sustainable biomass supply in the EU - How to ensure that REDII requirements will be understood and met by non-EU partners? - Does REDII serve as a sound basis for governing the sustainability of the broader bio economy, and if not, determining what else is needed? 	<p>Uwe Fritsche, International Institute for Sustainability Analysis and Strategy (IINAS)</p>
17.30 - 18.00	Results from breakout sessions - Rapporteurs	
18.00 - 20.00	Reception & get together	

AGENDA

Day 2 - 21 NOVEMBER 2019

08.30 - 09.00	Registration & Coffee	
09.00 - 10.20	<p>The fast way forward</p> <p><i>Bird's eye view of the role of biofuels, technological options, implementation barriers and financing opportunities</i></p>	Moderation: Patrik Klintbom
	The Contribution of Advanced Renewable Transport Fuels to the Decarbonisation of Transport in 2030 and beyond	Dina Bacovsky , BEST
	BIOFIT project - Bioenergy Retrofits for Europe's Industry: Opportunities and Challenges	Dimitrios Kourkoumpas , CERTH – Centre for Research & Technology Hellas
	DEMO-SPK - Research and Demonstration Project on the Use of Renewable Kerosene	Franziska Müller-Langer , DBFZ Deutsches Biomasseforschungszentrum
	Advanced Biofuels and more from biorefinery - cooperation is the key of success	Patrick Pitkänen , St1 Oy
10.20 - 10.30	Closing remarks	Patrik Klintbom , Chair SC ETIP Bioenergy
10.30 - 11.00	Coffee break & registration BESTF3 & ADVANCEFUEL workshops	
11.00 - 12.30	1st parallel sessions BESTF3 & ADVANCEFUEL workshops	
12.30 - 13.30	Lunch	
13.30 - 15.00	2nd parallel sessions BESTF3 & ADVANCEFUEL workshops
